FW-11BK	BK	Foam Windscreen, Black Only (10 pieces)	\$ 75.00
FW-11MT	Multi	Foam Windscreen, Multicolor Pack (11 pieces)	\$ 60.00
HAD-48		Inline Amplifier (for dynamic microphones only)	\$ 239.00
<p>The HAD-48 amplifier provides selectable gains of +20dB or +40dB to boost signal levels from low-output devices, such as dynamic mics. The result – a much improved signal-to-noise ratio even over long cable connections. The HAD-48 features an XLR-style barrel (XLR-3M - XLR-3F) just 4.14" long. Requiring no batteries, it operates with 48V phantom power and draws less than 4.5mA. The microphone is isolated from the phantom power.</p>
